

Mr. Sumner is on the rampage again. He is seldom off the rampage, but then sometimes he is more rampant than he is at other times. Everybody knew that as soon as the fifteenth amendment made Sambo a white man, Mr. Sumner would want to make him something else. It is impossible to satisfy Mr. Sumner with Sambo. And why? Because Mr. Sumner has found Sambo a paying investment. He has tried him as an object of philanthropy, patriotism and party advantage, and so far he has made a profit on him. So, why should Mr. Sumner give him over? But then that which is good for Mr. Sumner may not be so good for the rest of us, and why should we invest any further in Sambo? Have we not had enough of him? Is it not about time to dismiss both Mr. Sumner and his woolly hump?

Those in want of Canary Birds and Cages, should go to Pollock's.

The National Watch Company have commenced a direct trade with China. The Chicago Tribune reports a large invoice of watches having Chinese inscriptions upon the dials and plates, shipped by them to Chinese merchants in San Francisco, to be forwarded to the Celestial Kingdom. American clocks have for some years been an article of demand in the China trade, and thousands of them have been exported to that country. It is probable that a large business will also be created in watches, and we are glad that the Elgin goods have secured an introduction. We can safely say, with reference to them, that we are giving our Chinese friends the best we have.

Everybody, go to Pollock's!

Dr. A. L. SCOVILL is the inventor of several medical preparations which have become very popular, and have been liberally used. Among his inventions are "HALL'S BALM FOR THE LUNGS" and "LIVERWORT AND TAR." For the past six years a better Lung remedy has been offered to the public. Read the following letter from Dr. Scovill, referring to it:

Messrs. J. N. Harris & Co.—GENTS: I make the following statement from a perfect conviction and knowledge of the benefits of ALLEN'S LUNG BALM in curing the most deep-seated PULMONARY CONSUMPTION. I have witnessed its effects on the young and the old, and I can truly say that it is by far the best expectorant remedy with which I am acquainted. For Coughs, and all the early stages of Lung complaints, I believe it to be a certain cure, and if every family would keep it by them, ready to administer upon the first appearance of disease about the Lungs, there would be very few cases of fatal consumption. It causes the phlegm and matter to rise, without irritating those delicate organs, (the Lungs), and without producing constipation of the bowels. It also gives strength to the system, stops the night sweats, and changes all the morbid secretions to a healthy state. Yours respectfully, A. L. SCOVILL.

KOSKOO!

The Great Reputation

Which KOSKOO has attained in all parts of the country,

As a Great and Good Medicine,

And the large numbers of testimonials which are constantly being received from Physicians, and persons who have BEEN CURED by its use, IS CONCLUSIVE PROOF of its REMARKABLE VALUE.

AS A BLOOD PURIFIER

IT HAS NO EQUAL,

BEING, POSITIVELY,

The Most Powerful Vegetable Alternative Yet discovered.

DISEASES OF THE BLOOD.

"The life of the flesh is in the blood," is a Scriptural maxim that Science proves to be true. The people talk of bad blood as the cause of many diseases, and, like many popular opinions, this of bad blood is founded in truth.

The symptoms of bad blood are usually quite plain. Bad digestion, canes imperfect nutrition, and, consequently, the circulation is feeble, the soft tissues lose their tone and elasticity, and the tongue becomes pale, broad and frequently covered with a pasty white coat. This condition soon shows itself in roughness of the skin, then in ERUPTIVE and EXUDATIVE diseases, and, when long continued, results in serious lesions of the Brain, Liver, Lungs or Urinary Apparatus. Much, very much, suffering is caused by impure blood. It is estimated by some that one-fifth of the human family are affected with Scrofula in some form.

When the Blood is pure, you are not so liable to any disease. Many impurities of the Blood arise from impure diseases of large cities. Eradicate every impurity from the fountain of life, and good spirits, fair skin and vital strength will return to you.

KOSKOO!

AS A

LIVER INVIGORATOR!

Stands unrivaled,

Being the Only Known Medicine

That EFFICIENTLY stimulates and CORRECTS the hepatic secretions and functional DERANGEMENTS of the LIVER, WITHOUT DEBILITATING the system. While it acts freely upon the Liver, instead of copious purging, it gradually changes the discharges to a perfectly natural state.

Symptoms of Liver Complaint and of some of the Diseases produced by it:

A sallow or yellow color of the skin, or yellowish-brown spots on the face and other parts of the body; dullness and drowsiness, sometimes headache; bitter or bad taste in the mouth; torpid bowels; indigestion; sometimes sour stomach; with a rising of the food; a bloated or full feeling about the stomach and breast; aggravating pains in the sides, back or sides; and about the shoulders; constipation of the bowels; piles, flatulence, coldness of the extremities, &c.

KOSKOO!

Is a remedy of Wonderful Efficacy in the cure of diseases of the Kidneys and Bladder. In these Affections, it is as near a specific as any remedy can be. It does its work kindly, silently, and surely. The Relief which it affords is both certain and perceptible.

DISEASES OF THE KIDNEYS AND BLADDER.

Persons unacquainted with the structure and functions of the Kidneys, cannot estimate the importance of their healthy action. Regular and sufficient action of the Kidneys is as important, nay, even more so, than regularity of the bowels. The Kidneys remove from the Blood those effete matters which, if permitted to remain, would speedily destroy life. A total suspension of the urinary discharges will occasion death from thirty-six to forty-eight hours.

When the Urine is voided in small quantities at the time, or when there is a disposition to Urinate more frequently than is natural, or when the Urine is high colored or scalding, with weakness in the small of the back, should not be trifled with or delayed, but Koskoo should be taken at once to remedy the difficulty, before a lesion of the organs takes place. Most of the diseases of the Bladder originate from those of the Kidneys, the Urine being imperfectly secreted in the Kidneys, prove irritating to the Bladder and Urinary passages. When we recollect that medicine never reaches the kidneys except through the general circulation of the Blood, we see how necessary it is to keep the Fountain of Life Pure.

KOSKOO!

Meets with great success in the cure of

Diseases of Nervous System.

Almost nine-tenths of our people suffer from nervous exhaustion, and are, therefore, liable to its concomitant evils of mental depression, confused ideas, softening of the brain, insanity, and complete breaking down of the general system. Thousands are suffering to-day with broken down nervous systems, and, unfortunately, tobacco, alcohol, late hours, over-work, (mental and physical), are the causes of diseases of the nervous system to increase at a fearful ratio.

The symptoms to which diseases of the nervous system give rise, may be stated as follows: A dull, heavy feeling in the head, sometimes Periodical Headache, Dizziness, Noises or Ringing in the Head; Confusion of Ideas; Temporary Loss of Memory; Dejection of Spirits; Starting during Sleep; Bad Dreams; Hesitation in Answering Questions; Dullness of Hearing; Twitching of the Face and Arms, &c., which, if not promptly treated, lead to Paralysis, Delirium, Insanity, Impotency, Apoplexy, &c., &c.

HEINITSH'S

QUEEN'S DELIGHT

As a Family Medicine,

It Stands, and Will Forever Stand

FIRST in the estimation of the people, because it has withstood the searching tests of the Physician and a discriminating public, and whatever survives this trial must be established on a sure, firm foundation.

A SPRING AND SUMMER MEDICINE.

A known and recognized remedy among all people. Thousands attest its worth as a Medicine.

Heinitsh's Queen's Delight

Is a substitute for Calomel and Mercury. It acts by its vegetable principle as an alternative upon the Liver and Stomach, promoting the secretion of bile, and then directing its proper channel for the nutritive purposes of digestion. For Bilious Diseases, Bilious Colic, Bilious Nausea, Typhoid Fever, Chills and Fever, in fact, all others, are prevented by using Queen's Delight.

It cures Liver Complaint, and all Hepatic Disorders, Dyspepsia, Stomach Complaints, Scrofula, King's Evil, Cancerous and Indolent Tumors, White Swellings, Mercurial and Syphilitic Sores, Old Sores, Swelled Legs, Boils, Carbuncles, Erysipelas, Gout, Rheumatism, Enlarged Joints, Rheumatic Swellings, Erysipelas, St. Vitus' Dance, Dropsical Swellings, Salt Rheum, and all Skin diseases and Humors in the Blood, Inflammation of the Kidneys, Bladder, Pains in the Back and all diseases which may be traced to bad blood; and for very many other diseases peculiar to females, such as Suppression, Irregularity, Whites, Sterility, Uterine Dropsy, &c.

SKIN DISEASES.

It has been prescribed in a great variety of Cutaneous Affections, and found successful in curing Salt Rheum, Tetter, Boils, Blisters, Pimples, Scald Head, Erysipelas, Morphea, Scalded Skin, &c., and for Diseases of the Throat, Nose and Ears, and from the Kidneys and Urinary Passages, Leucorrhoea, &c.

INVIGORATOR OF THE LIVER.

As a Liver Invigorator it is of inestimable value. As a stimulant, it is safer and surer than all the rum and whiskey tonics of the day, and if you value your life and health a pin's fee, avoid these quickening stimulants to the grave, and use the Queen's Delight.

DEBILITY.

There is no medicine equal to the Queen's Delight in cases of Debility. It imparts a tone and vigor to the whole system, strengthens the appetite, causes an enjoyment of food, enables the stomach to digest it, purifies the blood, gives a good, sound, healthy complexion, eradicates the yellow tinge from the eyes, imparts a bloom to the cheeks, and changes the patient from a short-breathed, emaciated, weak and nervous invalid to a full-faced, stout and vigorous person.

NERVOUS DEBILITY.

Generally accompanies Liver Complaint or Dyspepsia, and is, frequently produced by continual constipation. The symptoms are, fluttering at the heart, a choking sensation, when in a lying posture, dots or webs before the sight, fever and dull pain in the head, constant imaginings of evil, and great depression of spirits.

Debility of the Nervous system should always be treated as of itself laying the body open to an attack of any epidemic.

NERVOUSNESS.

HOW IT AFFECTS THE MIND.

Persons afflicted with this disease are generally annoyed by occurrences of no moment, which would not if in a state of health, give them any uneasiness. The Queen's Delight will soon relieve the unpleasant effects of this distressing affliction.

Be sure and ask for HEINITSH'S QUEEN'S DELIGHT; the new remedy, with new principles. No Sarsaparilla in it; that has been tried and found wanting. It is not a fermented and sour combination of herbs. It is not a Whiskey beverage, or Gin compound, to ruin your health and lead to a more fatal disease, drunkenness. But a health and life-giving Medicine, called simply "Heinitsh's Queen's Delight."

The great success, and the unparalleled popularity of this medicine bespeak for it the highest praise for the inventor. Prepared only by E. H. HEINITSH, Druggist.

And for sale by Druggists everywhere.

"BAD BLOOD."

"THE LIFE IS THE BLOOD."

FROM it we derive our strength, beauty and mental capabilities. It is the centre of our being, around which revolves all that makes existence happy. When this source is corrupted, the painful effects are visible in many shapes, prominent among which is

SCROFULA.

This is a taint or infection of the human organism, and probably no one is wholly free from it. It exhibits itself in various shapes—Scalp, Sore Eyes, Weak and Diseased Joints, St. Vitus' Dance, Foul Discharges from the Nostrils, Eruptions, Glandular Swellings, Throat Affections, Rheumatism, Heart Affections, Nervous Disorders, Barrenness, Disorders of the Womb, Dropsy, Syphilitic Affections, Liver Complaint, Salt Rheum, Dyspepsia, Neuralgia, Loos of Manhood and General Debility.

It abates the custom to treat these diseases with Mercury and other Mineral substances, which, though sometimes producing a cure, often prove injurious, and entail misery in after life. The long known injurious properties of these so-called alternatives and purifiers has led the philanthropic man of science to more the arena of nature, the result of which has been the discovery of vegetable products which possess the power of eradicating these taints from the Blood.

DR. TUTT'S

Compound Extract of

Sarsaparilla and Queen's Delight

Is the acknowledged antidote to all Blood Diseases. By its use the affections above enumerated can be permanently banished, and the

Source—the Centre of Life—the Blood,

be maintained in all its purity and vigor.

For Diseases produced by the taint of Mercury, and for Syphilis, with its train of evils, this compound is the only sure antidote.

To the poor creature, enfeebled in mind and body, by secret practices, whose nerves are unstrung, and countenance down-cast,

The Sarsaparilla

AND

QUEEN'S DELIGHT

Is a blessing. Try it fairly, and your nerves will be restored to their wonted vigor, and your downcast countenance be made radiant with the consciousness of

RESTORED MANHOOD.

Being free from violent minerals, it is adapted to general use. The delicate young may use it; the most delicate female at any time may take it; the tender infant, who may have inherited disease, will be cured by it.

For Purifying the Blood,

USE

DR. TUTT'S

Compound

EXTRACT OF SARSAPARILLA

AND

QUEEN'S DELIGHT.

When used in the Spring, it removes all humors which infect the system, and banishes the languor and debility peculiar to that season of the year.

It acts promptly on the

LIVER AND KIDNEYS.

Producing a healthy action of the important organs by which all the impurities of the system are carried off, and the result is
